

Letter N° 016/EMP/10  
Montevideo, 8 June 2010

Mr. Billy Smith  
Managing Partner of Smith Consulting Group L.L.C.  
Billy P. Smith

Dear Sir,

During some time, the National Army, has made various purchases of material and equipment in order to satisfy the different needs derived from its main and accessory missions and from those connected to the participation of our Force in different world scenarios at the service of the United Nations.

Within this framework, in 2006 the National Army developed with Canada an important surplus equipment purchase, highlighting 40 ea. AVGP COUGAR 6x6 vehicles and, later in 2009, 98 ea. AVGP GRIZZLY and 5 ea. HUSKY vehicles, as well as an important number of accessories.

In such a sense, and as per stipulated by the Canadian Government, we have maintained during most of this period of time, a fluid dealing with SMITH CONSULTING GROUP (SCG), as well as with its local agent ITC.

During this period of time, the diligence of the above mentioned companies (SCG and ITC) has been to satisfaction of our Institution, being distinctive for its serious, responsible and professional treatment, either in the activities carried out in our country as well as on several occasions in which members of our staff had to travel to Canada for various circumstances related to the referred negotiations.

The present letter is issued upon request of the the first company here above mentioned, for incorporation to its Curriculum Vitae.

Sincerely,

The Commander-in-Chief of the Army

Army General

JORGE W. ROSALES
